Happy Halloween

Halloween has always been a holiday filled with mystery, magic, and superstition.

The tradition originated with the ancient Celtic festival of Samhain (pronounced sow-in), when people would light bonfires and wear costumes to ward off ghosts. In the eighth century, November 1 was designated as a time to honor all saints. The evening before was known as All Hallows Eve, and later Halloween. Over time, Halloween evolved into a day of activities like trick-or-treating, carving pumpkins, festive gatherings, and costumes.

It is estimated that Americans will spend a record \$10 billion on Halloween candy, decorations, and pet costumes. And 2/3 of Americans plan to celebrate Halloween this year as compared to last year (58%). And pet costumes have become increasingly popular, especially with younger generations. Younger adults are more likely to outfit their pets with 28% of those aged 18–24 interested and 30% of those aged 25–34.

And in case you are unsure as to what candy to buy? Here are the top ten candies in America, according to CandyStore.com:

- Reese's Cups
- Skittles
- M&M's
- Starburst
- Hot Tamales
- Sour Patch Kids
- Hershey Kisses
- Snickers
- Tootsie Pops
- Candy corn

Small Business Saturday

Saturday, November 28 is Small Business Saturday. Created in November 2010 by American Express, Small Business Saturday is a counterpart to Black Friday and Cyber Monday, which feature big box retail and e-commerce stores respectively. By contrast, Small Business Saturday encourages holiday shoppers to patronize brick and mortar businesses that are small and local.

Small businesses were the the most impacted by the pandemic, with metropolitan and coastal areas hardest hit. And as we climb out of this pandemic, small businesses need our help more than ever. When you Shop Small, you not just support your neighborhood favorites – you are investing in your community.

For every dollar spent at a small business, approximately 67 cents stays in the local community. Learn more about the history of Small Business Saturday and how you can make a difference.
